

In life, there will always be a few rainy days.

Let's make our own sunshine.

Savings Accounts/CD

We have a First Bank savings account to fit your needs.

A sound savings plan can help you reach your financial dreams and protect you against financial emergencies. It can also prepare you for major life events, such as funding your children's education or planning for your retirement.

At First Bank, we understand the need to create good financial habits, which is why we offer a variety of savings options, from traditional savings and money market accounts to CDs and IRAs.

A First Bank representative can help you find the Savings plan that is right for you.
